Subject: Letter for requesting Permission to Conduct add on course regarding:-

Respected Sir,

We are writing this letter to request permission to conduct a value added course in the seminar hall on 03.09.2019 to 24.09.2019 on the topic **Healthcare Administration**. We believe this will be a very informative session that many students will wish to attend.

We request you to kindly permit to conduct training program as this would be a great opportunity for Students to learn all about **Healthcare Administration** that would help a great deal to shape the students.

Looking forward to hearing from you.

Thank you

Yours sincerely,

Dr. N. SENTHILKUMAR,
PRINCIPAL

ANSWER ALL THE QUESTIONS

DATE: 24.09.2019

- Hospital Y is locating qualified personnel to form a pool of candidates. Hospital Y is performing the human resources function of
 - Recruitment
 - Retention
 - Selection
 - Outsourcing
- A nurse supervisor from Hospital Y is choosing the right candidate from a pool of applicants. This supervisor is performing the human resources function of
 - Recruitment
 - Retention
 - Selection
 - Outsourcing
- The staffing function includes all of the following except
 - Orienting staff
 - Writing procedures
 - Judging performance
 - Training staff
- Effective use of the human resources department includes
 - Supervising subordinates in the nursing departments
 - Conducting performance appraisals on all managers
 - Advising on employment practices and regulations
 - helping managers complete work assignments
- When terminating an employee, the supervisor
 - Must determine whether current employees can fulfill departmental goals
 - Must conduct the exit interview and share findings with human resources
 - Documents thoroughly the occurrences leading to the termination decision
 - Determines whether current skills sets are adequate

6. Intraorganizational turnover occurs
 - a. When an employee moves from one position to another within the same organization
 - b. When an employee moves from one organization to another
 - c. When an employee is oriented to his or her job
 - d. When an employee's goals and values match those of the organization

7. The difference between a job description and job specification is that
 - a. The description tells exactly what duties are in the job, whereas the specifications tell what the qualifications are
 - b. The description describes the qualifications, whereas the specifications specify the duties
 - c. The description is based on a job analysis, whereas the specification is not
 - d. The description specifies the duties, whereas the specifications specify the responsibilities

8. Job analysis involves all of the following except
 - a. Analyzing the employees and working conditions in the department
 - b. Analyzing the duties and tasks performed
 - c. Analyzing skill requirements
 - d. Analyzing physical demands

9. When preparing job specifications, the supervisor should
 - a. Loosely define the required job knowledge to increase the pool of applicants
 - b. Not ask for a higher degree of skill than is absolutely needed
 - c. Set the requirements as high as possible to limit the pool of applicants to interview
 - d. Not be concerned with employment laws

10. When vacancies occur, the supervisor should
 - a. Immediately recruit a replacement to help determine the turnover rate
 - b. Contact friends who may be interested in the job before posting the vacancy with human resources
 - c. Analyze the job and related jobs to see if any process improvements could be achieved that may result in lessening the labor requirement
 - d. Analyze the job and related jobs to see if any process improvements could be achieved that may result in lessening the instrumentation requirement.

11. Which of the following statements describes outsourcing?
 - a. It is an alternative that works well when a department is functioning well
 - b. It is an alternative for conducting job analyses in an organization
 - c. It determines the shifts on which employees will work
 - d. An employer engages a third party to supply staff

12. The selection process represents all of the following except
- choosing the candidate that meets the job demands
 - matching the applicant's personality and capability with the culture of the department
 - Reviewing the duties and tools necessary to perform the work and the qualifications required to do the job
 - selecting the candidate who is likely to perform well and will stay with the organization
13. An employment interview is not something that
- Involves two-way communication between the interviewer and applicant
 - Allows one to learn about the applicant's background, interests, and values
 - Is a precise technique
 - Is more valid for predicting employee behavior than decisions made on tests alone
14. All of the following are types of employment interview except
- Structured
 - Directive
 - Nondirective
 - comparative
15. The nondirective interview
- Allows the interviewee to say whatever he or she wants to say
 - Keeps the session structured
 - Pays little attention to what the interviewee wants to say
 - Restricts what the interviewee would like to say
16. The purpose of a directive employment interview is to
- Locate qualified applicants
 - Collect facts and reach a decision
 - Provide training and development
 - Enhance employee performance
17. A directive interview
- Is the same as a structured interview
 - Follows a format that is not structured
 - Is discriminatory in nature
 - Uses questions that do not follow a pre-designed format
18. Which of the following items would not appear on an application form?
- Education, degrees, and certifications
 - Previous work experience, dates of employment, and salary
 - Ancestry, marital status, and age
 - Address, telephone number, and middle initial

19. The structured interview
- Permits asking questions that may be considered discriminatory
 - Consists of questions about the personality of previous bosses
 - Includes questions about job knowledge and work requirements
 - Should include a human resources representative
20. Which of the following is incorrect about reference checks?
- Human resources should conduct the reference checks.
 - The Equal Employment Commission discourages them.
 - They require the applicant's authorization.
 - They are used to obtain additional information about the applicant's work habits.
21. Supervisors must comply with the Equal Employment Opportunity Commission laws during an interview, which means
- Questions must be job-related
 - Supervisor may be required to hire an unqualified candidate
 - Questions about spousal tolerance of work hours are acceptable
 - Questions about the national origin of the applicant is acceptable
22. When evaluating an applicant one should
- Review the notes taken during the interview, make the hire decision, and to others who may have interviewed the chosen candidate speak
 - Go with the "gut" and make a snap decision before another firm hires the person person
 - Learn how to recognize over-generalization and avoid the halo effect
 - Always seek the help of present employees
23. The halo effect
- Occurs when an interviewer is using one or two characteristics on which to base all other factors.
 - Occurs when the applicant gives all the right answers
 - Occurs when one appears angelic during the interview but becomes an unreliable employee once hired unreliable
 - May work favorably or unfavorably for the interviewer
24. The performance appraisal system is not
- A coaching tool
 - A planning tool
 - A structure tool
 - A motivational tool
25. Ideally, the performance appraisal will
- Show the employee where and how to improve
 - Apply sufficient stress to make the person improve
 - Preclude merit increase
 - Be used as a tactic to intimidate employees

26. An appraisal approach that lists employees in a high-to-low order is
 a. Group rank ordering
 b. Individual ranking
 c. H-L approach
 d. Paired comparison
27. An appraisal approach that requires the input from subordinates, peers, and superiors is
 a. Group rank ordering
 b. Graphic rating scale
 c. 360-degree feedback
 d. BARS
28. An effective appraisal process will identify all of the following except
 a. How well the employee is performing
 b. If process changes could improve the employee's performance
 c. How well the supervisor is performing
 d. The punishment that subordinates deserve
29. An empowered environment is more likely to use which appraisal system?
 a. Paired comparison
 b. Group rank ordering
 c. BARS
 d. 360-degree feedback
30. During the annual appraisal process an empowered environment will
 a. Permit the team to make work assignments to other teams
 b. Permit the team to contribute to identifying strengths and weaknesses of its team members
 c. Permit the team to delegate authority for certain duties and grant leaves of absence for its team members
 d. Permit the team to defend team members at all cost

DATE	03.09.2019 to 24.09.2019
VENUE	SEMINAR HALL

FEEDBACK FORM

STUDENT NAME: VIJAYA

DATE: 24.09.2019

YEAR/ COURSE : B. PHARM

NAME OF THE ADD ON COURSE:

COURSE CODE: 19VAL006

EVALUATE HONESTLY:

Questions	Excellent	Good	Fair	Poor
The objectives of the training were	✓			
The instructor's contribution to the course was:	✓			
The presentation materials were relevant		✓		
The instructor's effectiveness in teaching the subject matter was:	✓			
Answers to the students questions by the instructor	✓			
The venue was appropriate for the event		✓		
Course organisation was:	✓			
Level of course was		✓		
Course content was:	✓			

Student Participation

1. On average, how many hours a week did you spend on this course (in and out of class)?

A)0-2 B) 2-5 C)6-10 D)11-14 E)15UP

2. What grade do you expect in this course?

A)BELOW 50% B) 50-60% C) 60-70% D) 70-80% E) ABOVE 80%
