ABOUT THE WORKSHOP

Entrepreneurship in Pharmacy

A workshop on entrepreneurship in pharmacy can provide valuable information and resources for pharmacists and pharmacy students who are interested in starting their own businesses.

The workshop may cover a range of topics, such as identifying business opportunities within the field of pharmacy, developing a business plan, understanding the legal and regulatory requirements for starting a pharmacy business, and managing finances and operations.

The workshop may also include guest speakers, such as successful pharmacy entrepreneurs, to provide real-world examples and insight. There may also be networking opportunities for attendees to connect with other pharmacy professionals who have experience in entrepreneurship.

Participants can learn about the diverse opportunities available for pharmacy practice, covering the traditional retail and hospital settings and also the non-traditional
