Theme: Skill and Will to Make & Serve Quality Pill  
Venue: Chitkara University, Rajpura, Punjab

**Acceptance of Paper for Poster Presentation at 69th Indian Pharmaceutical Congress**

November, 08, 2017

Dear Professor **ANBARASI BALAKRISHNAN,**

We are pleased to inform you that your paper entitled "**Determination of Equilibrium bile acid binding capacity of cefsevelam Hydrochloride tablets**" has been accepted for presentation as "**Poster No:F-147**" in Poster Session at the 69<sup>th</sup> Indian Pharmaceutical Congress.

As a presenter, you must be a registered delegate for the 69th IPC. However, only the Abstracts of those presenters, who are registered by **15th November 2017**, will be published in the final abstract CD. You should have your registration badge at the venue in order to present the poster.

**Registration Committee**

For Registration details log into <http://69ipc.com/registrationdetails.html>

For Online registration log into <http://69ipc.com>

For registration and general information: <http://www.69ipc.com/>

For scientific sessions/poster presentation related information:  
Website: [www.scientificipca.org](http://www.scientificipca.org); Email: [ssc@69ipc.com](mailto:ssc@69ipc.com)

You may have your membership details at the time of poster presentation or in case you have applied for membership and have received the membership number as yet, you may have the Photostat copy of the membership payment receipt / DD attached for the purpose as proof.

You must bring a copy of this letter and photo ID for identification at the poster presentation. Your date of presentation will be displayed on the website ([www.scientificipca.org](http://www.scientificipca.org)) by **20th November, 2017**.

It is also mandatory for the presenting author to submit the duly signed author declaration form at the time of poster presentation. The same is available along with this letter or it may be downloaded from the website (<http://www.scientificipca.org/downloads.php>). The letter of acceptance can also be downloaded by signing in on the website using the username and password provided at the time of registration for paper submission.

The area provided for poster presentation will be about 0.95 meter (95 cm) wide by 1.2 meter height (120 cm). For more detail about poster specifications, kindly look into <http://www.scientificipca.org/posterspec.php>

Poster presenters have to bring their necessary stationery (Adhesive tape, Pins etc.,) since there will not be any facility available in the venue.

We look forward to meet you at 69th IPC

With regards,

**Dr. N. SENTHILKUMAR,**  
PRINCIPAL,
