Ammal College of Pharmacy, Komarapalayam.

No. of Students Enrolled: 60

No of Students Present :60

Objectives:

The objective of the course is to provide knowledge to maximize the time spent on important things. So the one point of being efficient is to use up less time on the unimportant things so that we have more time for the important things. It helps to develop skill on Planning, Prioritizing and Performing the things

Learning outcomes:

- Organize and control the work by early examination of all its aspects.
- Give accurate information relating to the timescale to use the resources employed.
- It is helpful to set out the distinctions between the different terminologies related to time management.
- Provide proper progress and control procedures.

The students were actively participated in these course and gained knowledge.
