No. of students enrolled: 144

No. of students attended: 136

#### Objective

The main objective of this program is to improve a healthy competition among students. It makes them to work harder and improve their knowledge and skills. It is also like a skill development program which provides additional knowledge to the students other than their academic knowledge and to improvise their ability to face competitive exams.

#### Learning outcomes:

- It makes a clarity for students about the competitive exams for the state and central government jobs also for their preparations.
- It also makes the students to understand the responsibilities as a public servant or a civil service personal.
