Objective

The essential purpose of this program is to provide students with the opportunity for increased competition amongst themselves. It does this by providing other knowledge (outside their academic knowledge) which can be used in order to improve their ability to take competitive exams.

Learning outcomes:

This program provides students with a clearer understanding of the competitive exams for state and central government jobs, as well as providing them with an appreciation for the responsibilities that come along with holding public office or a civil service position.

DEPARTMENT OF TRAINING AND PLACEMENT

ENGLISH PROFICIENCY EXAMS

REPORT

MAKE YOURSELF AN EFFICIENT PERSON TO QUALIFY ENGLISH LANGUAGE PROFICIENCY

VENUE: SEMINAR HALL

DATED: 12.06.2019

RESOURCE PERSON:

Ms. S. SABAREESWARI

Assistant Professor (English)

JKKMMRF's Annai JKK Sampoorani Ammal

College of Teacher Training Institute &

Allied Health Sciences.

No. of students enrolled: 203

No. of students attended: 185

Objective

The primary goal of this program is to help students learn how to speak and write in an everyday fashion rather than using high-level language. The program assesses your ability to understand the language as it is spoken in everyday situations. It focuses on ordinary English rather than high-level English language and provides a variety of assessment tools, including an interactive voice response system (IVR), individualized feedback, and questionnaires.

Learning outcomes:

The program provides a high level of accuracy in the language, as well as opportunities to study abroad or plan to work and stay in a country where English is the primary language. By completing this program, students will have demonstrated their proficiency with both spoken and written English, while also acquainting themselves with concept formation concepts.
