5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

Response:

Pharmacy Alumni Students Association was registered under the Tamil Nadu Societies Registration Act, 1975 (Tamil Nadu Act 27 of 1975) in the year 2023 vide Sl. No. SRG/Namakkal/22/2023 with the office of the Registrar of Societies, Namakkal, Tamil Nadu.

PHASTA is a platform through which the alumni get in touch with their alma mater and with their classmates. The primary objective is to reconnect, reminisce and revisit the rich memories, connect with classmates, strengthen the bond, and savour the rich experiences gained over the years. The driving force behind the PHASTA is to encourage vibrant student alumni interactions that would benefit our students in terms of learning, as well as the alumni in terms of sharing their rich expertise.

Objectives of PHASTA

- ✓ Bring the old students of JKKMMRF'S Annai JKK Sampoorni Ammal College of Pharmacy, Komarapalayam, under one for exchange of experience, dissemination of knowledge and talents amongst its members and also for the furtherance of fellowship, advancement of scientific knowledge in general of the association members and country.
- ✓ To conduct seminars, conferences, workshops, endowment, lectures and other academic activities and also to keep in touch with one another of the Institution's faculty, non-teaching staff and students.
- ✓ To create and establish Alumni endowments for granting scholarships, prizes and medals to the students showing high proficiency in their studies and honor former students of the college.
- ✓ To advice and interact with State and Central Government Bodies, Universities and Association of the academic institutions on matters relating to promotion of higher education, training and management systems and thereby promote the welfare and status of the college.
- ✓ To collect funds by subscriptions, contributions, donations and gifts from members, Governments, Universities and other institution and philanthropists for furtherance of the above objectives.
- ✓ To render financial aid to deserving poor students studying at the College.

- ✓ To render financial aid to deserving alumni in cases of extreme compassionate circumstances.
- ✓ To bring out magazines, souvenirs and newsletters highlighting the activities of the College and its Alumni.
- ✓ To organize cultural and educational programs and also to conduct Alumni Day celebration every year.
- ✓ To help the Alumni to get advice from the College on various technical problems and job opportunities that they may come across in their work and real life.
- ✓ To carry on such other activities as may be necessary for furthering the above aims and objectives.
- ✓ And generally, to do all such other lawful things as are incidental or conducive or may be necessary in the interest of the association directly or indirectly.
- ✓ Subject to the above said objects of Charity, the association will not carry on any activity with the intention of earning profit.

The various contributions by the alumni are listed as follows:

Guest lectures and Career Counselling PHASTA encourages alumni to provide technical lectures to update the students with the latest technological trends. Alumni are invited to share their success and motivate and groom them holistically.

PHASTA also schedules career guidance sessions to lecture and/or counsel the students. All these activities are done by planning a convenient date and time in consultation with the PHASTA Secretary, Department Coordinators and the HOD. PHASTA promotes alumni in instituting such awards which are given to the students during the Annual Day and Annual Cultural fest.

Scholarships needy and deserving students are given scholarships and other forms of financial assistance to help them concentrate on their academics. PHASTA has been constantly providing many initiatives by the alumni every year. Provide internships, projects and placements PHASTA takes up initiatives like providing internships, encouraging alumni to visit the college for campus placements, provide project assistance, encouraging employee referrals to our students and facilitating industrial visits for students. These steps help to increase the employability of the students to become successful engineers.

The day began with the lighting of the lamp by the chief guest **Mrs.M.Anitha, Manager – Drug Safety, Labcrip Drug Development, Bangalore** who is an esteemed alumna of the college. This was followed by a welcome address by **Dr.N.Senthilkumar** the principal of the college, who highlighted the importance of such events in maintaining the bond between the alumni and the institution.

The panel was moderated by **Dr.V.Suresh**, Professor at JKKMMRF's Annai JKK Sampoarani Ammal College of Pharmacy, and comprised of several prominent alumni who are currently working in the pharmaceutical industry. The discussion provided valuable insights into the current trends and developments in the field, and the challenges faced by the industry. The alumni shared their experiences and offered advice to the current students on how to best prepare themselves for a successful career in the industry.

The alumni were taken on a tour of the college, where they were shown the various facilities and infrastructure upgrades that have taken place since their time as students. This was followed by a cultural program, where the current students entertained the alumni with musical performances, dances, and skits.

The highlight of the event was the felicitation ceremony, where the alumni were recognized for their achievements and contributions to the pharmaceutical industry. The chief guest presented the awards to the alumni, and in her speech, she emphasized the importance of giving back to the community and staying connected with one's alma mater.

The current students mingled and had an opportunity to catch up with each other. The alumni expressed their appreciation for the efforts of the college in organizing the meet and expressed their hope for more such events in the future.

In conclusion, the Alumni Meet 2021-2022 was a resounding success and provided a platform for the alumni and current students of JKKMMRFS College of Pharmacy to connect, exchange ideas, and relive their college days. The event was a testament to the strong bond that exists between the alumni and the institution, and it is hoped that such events will continue to be organized in the future to maintain this bond.
