9. The principal forwards the joining letter along with credentials to the office.
10. Principal will give a brief overview of the department and introduce the new staff member to the members of the department.

ACADEMIC PROCEDURE

1. Academic calendar

For every semester our institution issues Academic calendar. Based on The TamilNadu M.G.R. University regulations. College academic calendar is prepared by Academic Committee in charges. The academic calendar consists of IAT's, Model exams, End semester University Exams, working days and holidays.

2. IAT/ Model Exams and Continuous Assessment Marks

As per PCI Regulations, IATs will be conducted. In general, two IATs per semester and three IATs per year for non-semester with equal weightage in continuous Assessment (CA) marks are conducted. As per PCI Regulations

3. Absentees for Tests

Absentees for the test are not permitted. Leave or on-duty (OD) will not be sanctioned. If there are any absentees or OD on valid grounds, alternate test will be conducted for the students on evening hours with the permission of principal. If a student is absent without any valid reason, he has to meet respective CAS with parent and get permission to proceed further.

RESEARCH POLICY

CODE OF ETHICS TO CHECK MALPRACTICES AND PLAGIARISM IN RESEARCH

Academic Freedom, Integrity and Responsibilities

Academic freedom is the freedom to teach study and pursue knowledge and research without unreasonable interference or restriction from law, institutional regulations. Its basic elements include the freedom of scholars to inquire into any subject that evokes intellectual concern, to present findings, to publish data and conclusions without control or censorship and to teach in the manner they consider professionally appropriate.

Academic integrity requires that academic research follows, adhered professional standards, including appropriate research design and frameworks, adherence to high levels of research ethics and abides by the requirements set by professional and regulatory research guidance and research ethics frameworks issued by appropriate areas by the regulatory bodies like TamilNadu Dr. M.G.R. Medical University, Annai JKK Sampoarani Ammal College of Pharmacy. Academic

integrity is defined in terms of the commitment to the values of honest, trust, fairness, responsibility, legality and dissemination.

Honesty:

An academic community should advance the quest for truth, knowledge, scholarship and understanding by requiring intellectual and personal honesty in learning, teaching and research.

Trust:

An academic community should foster a climate of mutual trust to encourage the free exchange of ideas and enable all to reach its higher potential.

Fairness:

An academic community should seek to ensure fairness in institutional standards, practices and procedures as well as fairness in interactions between members of the community.

Respect:

An academic community should promote respect among students, staff and faculty: respect for self, for others, for scholarship and research, for the educational process and intellectual heritage, with any discrimination to gender, caste, race and religion.

Responsibility:

An academic community should uphold high standards of conduct in learning, teaching and research by requiring shared responsibility for promoting academic integrity among all members of the community.

Legality:

An academic community should observe valid legal norms related to the conduct and publication of research particularly in relations to copyright, the intellectual property rights of third parties, the terms and conditions regulating access to research resources and the laws of the state and country

An academic community should seek to make the results of its research and widely and as freely available as possible.

INSTITUTIONAL RESPONSIBILITIES

The College Governing Council, Principal, Heads of Departments, Research Supervisors, Librarian, together with the faculty members are responsible for promoting and endorsing a transparent academic environment conducive to the application of the high professional and ethical practice for academic research. The Heads of Departments and Professors are expected to create and sustain a climate of mutual co-operation that facilitates the open exchange of ideas and the development of academics and research skills. They are also expected to ensure the provision of appropriate supervision and direction for researchers, in accordance with the nature of the individual academic discipline and associated mode of research. The JKKMMRF'S Annai JKK Sampoorani Ammal College of Pharmacy is committed to the provision of appropriate direction of research and supervision for researchers. supervisors are expected to adhere to the Code of Practice for Doctoral Supervision of the affiliating university, which delineates the supervisory relationship, the assessment of research progress, and the procedures to resolve problems in the supervisory relationship.

Training

The Academic Departments should ensure that all researchers undertake appropriate training in research design, methodology, regulatory equipment use, confidentiality, data management, record keeping, data protection and publication, the appropriate use of licensed research resources and respect for the intellectual property rights of third parties. The Institute is also committed to preparing its administrative and support staff involved in record keeping and expects them to fully respect the principles and rules of the Code of Ethics in Academic Research.

Publication Practice and Authorship, Notification, Archiving and Depositing Copies of Research Publications with the Institutional Repository (IR)

JKKMMRF'S Annai JKK Sampoorani Ammal College of Pharmacy encourages the publication and dissemination of results of high-quality research. It also expects that researchers will engage in the process of publishing and dissemination of their work responsibly and with an awareness of the consequences of any such dissemination in the wider media. Results should be published in a form appropriate to the academic

POLICY ON FEEDBACK BASED GOVERNANCE

- Feedback on curriculum gap and enrichment (from students, faculty, parents, alumni, employers and stakeholders)
- Feedback on Teaching – learning imparted by faculty for each subject at the middle of the semester and end of the semester (from the students attending the class)
- Feedback taken on the syllabus coverage, overall teaching learning process, examination and evaluation support systems at class committee meetings
- Feedback from outgoing students, each year on infrastructure, academics and facilities.
- The structure of the feedback form is 5 points scale (Excellent, very good, good, fair, need to improve)
- The feedback is consolidated and presented as HODs meeting with the principal. In the HOD meeting, feedback is analyzed and corrective actions are taken where needed.

E-GOVERNANCE POLICY

Utilization of Funds

An annual budget is prepared to ensure optimal utilization of financial resources, based on the estimates received from the departments and functional units of the Institute. The amount is sanctioned by the Managing Committee/ Board of Governors. Monthly Statements are prepared for Income and expenditure. Audit is performed periodically to ensure that the budget is optimally utilized for the purpose it is intended. The resources in the form of facilities and equipment are maintained to ensure optimum performance. Annual maintenance contract is in position for the equipment and software.

Scope

The scope of this policy extends to the following areas:

- General Administration.
- Student Admission
- Examination
- Library
- Accounts and Finance.
- ICT Infrastructure

Objectives

- Implementation of E-governance in all functioning of the institution in order to provide simpler and efficient system of governance within the institution.
- To promote transparency and accountability in all the functions of the college.
- To achieve and create a paperless environment in the college.
- To provide easy and quick access to information.
- To make campus Wi-Fi enabled.
- To make our Classrooms ICT Enabled having Laptops, Smart boards, Projectors, etc.

Policy

The college implements e-governance in all aspects of functioning like library, accounts, admissions, administration, teaching, etc. The policy is designed and framed to make each and every function transparent and accountable. The College decides to make the following policies and procedure.

Website

The website acts as an information Centre which will reflect about the college, all its activities, important notices, courses offered, etc. Training is given to the administrative and teaching staff to make important updates on the website. A Website Committee is constituted and headed by the principal and members from each programme for the administration of the website. The Committee looks after the process of updating, maintain working of the website on a regular basis. The committee will also look for the change that are required on the website.

Student Admission

An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the University. The College brings out its brochure which is displayed on the website that has guidelines for the admission process. Student portal will be created through which the students can pay the tuition, mess, bus, and hostel and exam fees. Admission portal is used to manage the admissions in the college. The number of students applying to each course, withdrawals, fee submission, all is managed through this portal only. Students are required to submit a separate application form for taking admission to the college through the link given in the college website.

Accounts

The office continues to maintain its account on Tally. The latest version of the software is purchased and used by the college. Advanced features help the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet is generated through this software only. All the analysis reports are also generated through Tally. Appropriate security measures are taken for maintaining confidentiality of the transactions.

Library

The College continues to maintain its academic excellence through maintaining a well-stocked library. The College will add more and more e-learning resources for the benefit of the faculty and the students. The College continues to subscribe new e-journals/printed version of journals and books regularly. Recommendations are taken from the faculty and students while subscribing to the e-resources. Faculty can apply to get books of different authors for the courses that they are teaching to increase the knowledge database.

- The Circulation module of the software covers all the operations of circulation, right from creating member records to printing of reminders the outstanding books.
- The Database Maintenance module covers all operations of database creation and maintenance. To encourage original writing among students and faculty, the

Library is provided with the access to fully automated software for plagiarism check.

- The entry of the student and staff are counted and registered.

Administration

- The regular attendance of all the staff is monitored through the Bio-metric system. Administrative Office uses advanced Excel and File Management System Tools to maintain effective database.
- To provide a hassle free, convenient and smooth process, administration of the college is made paperless.
- Students are able to obtain maximum services in online mode.
- The college looks into opportunities to automate some of its functions related to administration. Admin Staff to be provided with adequate training and development to keep them abreast with the new technology.
- The activities of students inside the campus and bus are monitored through CCTV.
- The feedback mechanism is attained through the software and the link is posted in the website the easy access.

Examination

The college has adopted an online system where students can view their total internal assessment marks at the end of each semester and can report discrepancies, all the documents related to examination are processed using the software. This package include student data, courses allotment, course entry, application generation printing, application receipt/student confirmation, Exam hall entry, absentee entry, external mark entry, moderation process, result publishing.

Alumni

In order to strengthen our alumni relationships, a separate alumni page is created on the website providing facilities like registration, prominent alumni of the college, feedback and many other aspects. Alumni association is consulted for regular updates and database management. The information regarding the Alumni meet will be posted through portal also.

POLICY DOCUMENT FOR GREEN CAMPUS

Scope

JKKMMRF'S Annai JKK Sampoorani Ammal college of pharmacy has adopted many green cover initiatives, there by embellishing the eco-friendly ambience of the campus. Faculty members, staff members and students are directed to prevent pollution, avoid wastage of water and conserve energy by adopting various sustainable measures for the wellbeing of individual and society.

Objectives

Green initiatives implemented within the campus are:

- Enriching greenery inside the campus by planting saplings.
- Sustaining a clean environment by practicing 3R's approach (Reduce, Reuse and Recycle).
- Stimulating the creativity of the students to craft art piece from solid waste
- Maintaining rainwater harvesting system and recharging pits/wells to meet the increasing demand of water.
- Usage of environment-friendly products such as paper, cloth and jute bags. ' Diminishing the amount of single use items like plastics, coated paper cups and straws.
- I Strive to increase waste diversion by recycling waste water, all papers, cardboard, metals, e-waste, bottles, plastics and cans.
- Improvisation of energy saving process by installation of solar panels, solar water heaters, LED bulbs and sensor based systems within the campus.
- Promotion on natural lighting inside the classrooms and hostel.
- Turning off lighting and appliances in unoccupied rooms.
- Switching over to e-transaction and maintaining paperless ambience.
- Encouraging students to volunteer for clean upon campus.

- Creating awareness among staff and students to reduce CO₂ emission through the usage of bicycles and battery powered vehicles.
- Furnishing waste collection points and specific guidelines for disposal of waste.

WASTE MANAGEMENT POLICY

Waste management policy articulates promise to reducing its environmental impacts through effective waste management and sustainable practices in converting waste to resources,

The campus strives to realize sustainable and holistic waste management essential and reducing its foot print and providing a safe and healthy work environment for teaching and non-teaching employees, students, visitors and stake holders.

- Committed for obtaining a Zero waste plan thus obtaining its ecofriendly status through the policy of reduce, reuse and recycle.
- Recycling and reuse - the recyclable material like plastic, metals, paper and other shall be handled over to the external agencies.
- Avoiding and minimizing the generation of waste- organizing awareness program for waste management through various club activities.
- Segregation of solid waste- biodegradable and non-biodegradable wastes are suggested to handled over separately as mentioned in solid waste management.
- Reducing paper waste through relying more electronic devices at all levels including governance, examinations, admission and finance. E-governance shall be ensured to implement innovate strategies and these by reduce paper waste in the campus.
- Reduce E-Waste to maximum with proper maintenance before moving on to replace and recycle.
- The campus is provided into training on legislation, hazardous, compliance and the policy by conducting waste management awareness programme throughout the year. All the students, faculty, staff members and stake holders are made aware of the policy.

ENVIRONMENTAL POLICY

Our college fosters awareness and accountability when implementing green ideas on campus. Promoting awareness of green practices among students and stakeholders is crucial for the development and maintenance of green campuses. JKKMMRF's Annai JKK Sampoorani Ammal College of Pharmacy manages solid waste management, water recycling, sewage disposal, and disposal of waste materials like papers, plastics, electronics, and biological wastes, among other things. To make the best possible use of the resources present in the surrounding areas for the community's future wellbeing, effective water management is carried out. The following actions are taken by the institute to create and maintain a green campus.

Landscaping with trees and plants

We create a clean environment by planting a significant number of trees and plants so that it plays a great role as earth's lungs in regulating the CO₂ emission.

Save water and save lives

- closure of taps when not in use and frequent inspection of valves is encouraged to detect leaks
- Rain water harvesting and drainage recycling for drip and sprinkle irrigation are performed.

Use of Bicycle/ battery powered vehicles

Our college is always ingenious in minimizing the consumption of non-renewable energy by encouraging staff and students to use the bicycle, battery-powered vehicles, public transport and carpooling.

Pedestrian-friendly pathways

Pedestrian-friendly pathways are abounded with noticeable logos / sign boards in our campus.

WATER CONSERVATION POLICY

To ensure efficient and responsible use of our water resources for the benefit of all

1.Ensure continuous water supply

The Institute has put in place continuous transmission and automated distribution systems to make sure there is an adequate and reliable water supply on campus.

2. Reduce wastage of water

Water waste inside the institution is decreased by finding and fixing leaks, inspecting and installing pressure lowering valves, flow restrictors, and aerator taps where they are needed.

3. Recycle the waste water

The Institute (water recycling or water reclamation) reclaims the water from a variety of sources then treats and reuses it for beneficial purposes such as irrigation, groundwater replenishment, gardening, and environmental restoration. Water reuse can provide alternatives to existing water supplies and be used to enhance water security, sustainability, and resilience.

4. Rain water harvesting

The Institution collects rainwater from a surface that resembles a roof and sends it to a tank, a deep pit, a well, and a borehole so that it can percolate down and replenish the ground water. In order to provide drinking water, domestic water, water for livestock, and a mechanism to restore groundwater levels, the institution features a roof-top rainwater gathering system..

5. Treat effluents from laboratories

The Institution follows Standard Operating Procedures for disposal of hazardous chemicals collected from the laboratories.

6. Sewage Treatment Plant process

The Institute has a Sewage treatment plant to recycle the waste water. This plant treats the waste water and makes it fit for reuse in watering plants and trees. Also to protect the surrounding environment from raw sewage discharge.

7. Store water

The institute contains storage facilities to prevent water shortages and to hold extra runoff during times of heavy rain.

8. Awareness about Water Conservation

The institution runs awareness programmes for students to enhance water conservation in order to deal with water shortages and ensure sustainability. The programme has been organized at all levels of society to raise awareness of the need of saving water.

DIVYAGAN POLICY DOCUMENT

Our institution has constituted the policy to ensure disabled friendly and barrier free environment for the disabled people to live with equal opportunities in college premises.

- College provides disabled rest room that can be approached with wheel chairs.
- Signage boards are placed in all prominent places to ensure barrier free movement and to access to the needed facilities.
- College provides disabled friendly infrastructure like ramp and lift facilities.
- College provides the provision for enquiry and information at the reception.
- The institution committed to extend scribe facility for deserving candidates during examination by obtaining prior permission from the affiliated University.
