To

The Chairman / Managing Director,
MMCH Hospital,
Perundurai Road,
Erode.

Respected sir,

Sub: Requisition letter to permit our M.Pharm (Pharmacy Practice) students to get hospital field training on Health Care Facility at your esteemed hospital – Reg.

With reference to the subject cited, I wish to request that you permit our second, third, and fourth year M.Pharm (Pharmacy Practice) students to get hospital field training on Health Care Facility at your esteemed hospital. We are splitting into different batches, and each batch of students will attend their training in various areas of your hospital at the allotted time. It will add value and knowledge to their careers. Kindly permit them to get hospital training, and I assure you that they will not disturb the routine hospital activities.

Thanking you,

No. of students certified: 64

OBJECTIVES OF THE COURSE

Language development is an important part of child development. It supports your child's ability to communicate. It also supports your child's ability to: express and understand feelings. To make learning an enjoyable activity. To help the learners understand the language spoken by the teacher and the classmates. To help the learners to speak English words in short sentences with the help of the teacher. To help learners read and understand simple words, sentences and passages

LEARNING OUTCOME OF THE COURSE

To develop the competence of children to understand what they hear

Learners should be skilled at listening and understanding in a non-linear fashion by making connections and drawing inferences. Listening here means not just decoding of the spoken language, learners listening with comprehension. Listening to make meaning out of what one listens to.
