Students who reach our institution seeking education, irrespective of gender, students get equal opportunity in various aspects of life to enhance their knowledge. All pharmacy students are encouraged to participate in various technical workshops, seminars and various conferences. Our institution has established the women's empowerment cell to promote gender equality. Both women and men staff are encouraged to work in our institutions.

MORAL VALUES AND ETHICS:

- Our JKKMMRF'S Annai JKK Sampoorni Ammal College of Pharmacy believes education is a prime weapon for promoting gender equality which will have a great impact on the growth of the nation.
- In our institution, every candidate gets equal opportunities without any discrimination to grow and prosper. These opportunities help the candidates in their personal development.
- Our institution creates various strategies and policies which help girls and boys to enhance their ability of rational thinking and handle various odd situations.
- The mentors keep an eye on the progression of all the students in their academic work regularly and appreciate them by giving rewards which makes the student grow further.
- The institution pays prime focus on women's health and conducts regular health checkup camps and haemoglobin estimation for girls and female staff members.
- Our institution aims to promote peace, harmony, love and compassion over hate, and envy among all students.
- Makes students to be collaborative more than competitive.

SAFETY MEASURES:

- In concern to the safety of students, the moment when students enter the campus, every movement within the campus gets monitored by monitoring teams through E-surveillance cameras.
- General counselling concerned with mental health is given to all the students who are in need.
- Our Institution wants students to keep their health well, thus gym facilities are provided to girls and boys.

SOCIAL ACTIVITIES:

- Various awareness programmes are conducted by the pharmacy students throughout the year to the public such as “Save the girl child”, “Gender Champions and sessions on sensitization towards sexual abuse”. Awareness to the general public regarding major health-related issues such as alcohol cessation programs, tobacco usage withdrawal, and depression sessions.
- Eye camps are also held in neighbouring villages and during the covid era, all pharmacy students tried to provide awareness and information about the prevention of disease through posters and pamphlets to the public.
- During the flood, all pharmacy students were involved in voluntarily collecting funds and transporting food and necessities to the affected people.

EVENTS AND FESTIVALS:

- College day is celebrated yearly. Many events, programs and cultural are conducted.
- Women’s day is celebrated every year in our college.
