D. Green campus initiatives

As per the green practices in the campus, JKKMMRF's is moving in the direction of a Green Institution by planting more trees in and around the campus. Many herbal plants and herbal garden and fruit trees have been planted to make optimal use of the land available. The garden consists of local species of trees which make the campus cool during hot summer months and improves the ambience of our campus.

The following green campus initiatives are available at our institution:

Herbal Garden
