Principal

Constitution of Class Committees for the B.Pharm- semester June-May2022-23

Class Committees consisting of a chairperson, student representatives and course in-charge are constituted every semester. The basic responsibilities of the class committee are:

- To review periodically the progress of the courses/program, to discuss issues concerning curricula and syllabi and the conduct of the classes including the method of teaching in the respective courses for ensuring effective learning.
- The mode of assessment for the course will be decided by the lecturer / faculty in consultation with the Class Committee, and will be announced to the students at the beginning of the semester.
- Each Class Committee will communicate its recommendations concerning the teaching-learning activity, students' performance and attendance of the student discusses to the Principal.
- The final Class Committee held after a week of the end of semester examination, without the student members, will be responsible for the finalization of the course/Program semester results.

The Class Committee is required to meet a minimum of two/three times in a semester, first at the beginning of the semester, then once, twice or more during the semester to discuss teaching-learning aspects and the one after the end-semester examination to finalize the performance. The meeting at the end of the semester is to be held without participation of the student representatives. The chairperson of the class committee may invite the concerned Faculty Advisers to any of the meetings if needed.

Attendance Policy- The senate norms for attendance suggests the course in-charge should inform the students of their attendance at the time of each test and warn them about appearing university exam in case of their falling short of stipulated 85%.

The students with shortage of attendance may be warned about the same via phone at least twice during the course (once after one-third of the course and once after two-thirds of the course). In its first meeting, the Class Committee Chairman may remind faculty and student representatives about the above points.

The class committees constituted for 2022-23 are UG- B. Pharm as follows.
