

CODE OF PHARMACEUTICAL ETHICS

The faculty of Pharmacy has adopted the code of ethics laid down by the Pharmacy Council of India and is imbibed in the practice, teaching and training processes.

Code of Pharmaceutical Ethics as formulated by Pharmacy Council of India and University which are meant to guide the pharmacist as to how he (or she) should conduct himself (or herself), in relation to himself (or herself), his/her patrons (owner of the pharmacy), general public, co-professionals etc. and patients, which may be categorized under the following headings:

1. Pharmacist in relation to job.
2. Pharmacist in relation to trade.
3. Pharmacist in relation to medical profession.
4. Pharmacist in relation to profession.

1. Pharmacist in relation to his job

- When premises are registered under statutory requirements and opened as a pharmacy, extensive pharmaceutical services should be provided.
- These involve the supply of commonly required medicines without undue delay and furnish emergency supplies, at all times.
- The appearance of the place should reflect the professional character of pharmacy and indicate to the public that the practice of pharmacy is carried out in the establishment.
- They should be qualified pharmacist having personal control over pharmacy.

Pharmaceutical services

- Pharmacy premises (medicine shops) should be registered. Emergency medicines and common medicines should be supplied to the patients without any delay.

HR POLICY

Dr. N. SENTHILKUMAR,
PRINCIPAL,

JKK MUNIRAJAH MEDICAL RESEARCH FOUNDATION
ANNAI JKK SAMPOORANI AMMAL COLLEGE OF PHARMACY

ETHIRMEDU, KOMARAPALAYAM - 638 183.

NAMAKKAL DISTRICT, TAMILNADU.

Conduct of the Pharmacy:

- Error of accidental contamination in the preparation, dispensing and supply of medicines should be checked in a pharmacy.

Handling of prescription

- When a prescription is presented for dispensing, it should be received by a pharmacist without any comment or discussion over it, regarding the merits and demerits of its therapeutic efficiency.
- It is not within a capacity of a pharmacist to add, omit or substitute any ingredient or alter the composition of a prescription without the consent of a prescriber.
- In case of any obvious error in it, due to any omissions it should be referred back to the prescriber for correction.
- When such an act is necessary, it should neither offend the customer nor affect the reputation of the prescriber.

Handling of drugs

- Prescription should be correctly dispensed with the drugs of standard quality.
- All the ingredients must be weighed correctly and must be in exact proportions.

2. Pharmacist in relation to his trade

Price structure

Prices charged from customers should be fair and must be in accordance with the quality and quantity of drugs including his compounding charges.

Fair trade practice

No attempts should be made to get business by unethical and cut throat competitions, labels, trade market and science and symbols of others should not be imitated.

HR POLICY

PRINCIPAL,

JKK MUNIRAJAH MEDICAL RESEARCH FOUNDATION
ANNAL JKK SAMPOORANI AMMAL COLLEGE OF PHARMACY

ETHIRMEDU, KOMARAPALAYAM - 638 183,
NAMAKKAL DISTRICT, TAMILNADU.

Purchase of drugs:

Always standard drugs must be purchased from reputable and genuine sources.

Hawking of drugs:

Hawking of drugs and medicines should not be encouraged nor should any attempt be made to get orders for such substances from door to door. Pharmacies and drug stores should not practice the method of self-servicing or counter sales without the qualified person. They should discourage self-medication, which is dangerous and highly undesirable.

Advertising and display:

The pharmacist should not advertise or display in the premises, in the press, elsewhere, regarding the sale of medicines, which claim to cure and any other advertisements or display containing Symptoms of ill health. A guarantee of therapeutic efficiency

- An appeal to fear
- An offer to refund money paid
- An incentive schemes
- Any reference to a medical practitioner or a hospital
- A reference to sexual weakness, premature aging or loss of virility
- Any reference to condemn the products of similar nature of others

3. Pharmacist in relation to medical profession

The pharmacist must be law obeying citizen and must fulfill the provisions of the pharmaceutical and other laws and regulations. He should have relationship with his own professional organizations. He should maintain dignity, decorum, decency and propriety of his profession. Following are the code of ethics of a pharmacist in relation to medical profession:

- The professional activity of the medical practitioner as well as the pharmacists should be confined to their own field only. Medical practitioners should not possess drugs stores and pharmacists should not diagnose diseases and

prescribe remedies. A pharmacist may, however, can deliver first aid to the victim in-case of accident or emergency.

- No pharmacist should recommend a medical practitioner in particular. Pharmacist should be never entering into secret arrangements with practitioner to offer them commission by recommending his dispensary or drug store. He should maintain strictly the professional secrecy, unless required to do so by law.
- A pharmacist should always maintain proper link between physicians and people.
- He should advise the physicians on pharmaceutical matters and should educate the people regarding health and hygiene. The pharmacist should keep himself/herself up-to-date with pharmaceutical knowledge from various journals or publications.
- Any information acquired by a pharmacist during his professional activities should not be disclosed to any third party until and unless required to do so by law.

Pharmacist in relation to his profession

Regarding to the profession the following code of ethics should be fulfilled.

Professional vigilance.

A pharmacist must abide by the pharmaceutical laws and he/she should see that other pharmacists are abiding it.

Law-abiding citizens

The pharmacists should have a fair knowledge of the laws of the country pertaining to food, drug, pharmacy, health, sanitation etc.

Relationship with Professional Organizations

A pharmacist should be actively involved in professional organization, should advance the cause of such organizations.

Decorum and Propriety

A pharmacist should not indulge in doing anything that goes against the decorum and propriety of Pharmacy Profession.

Pharmacists Oath

A young prospective pharmacist should feel no hesitation in assuming the pharmacist's oath.

PHARMACIST'S OATH

- ❖ I Swear by the code of Ethics of Pharmacy Council of India in relation to the community and shall act as an integral part of health care team.
- ❖ I shall uphold the laws and standards governing my profession.
- ❖ I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.
- ❖ I shall follow the system, which I consider best for pharmaceutical care and counseling of patients.
- ❖ I shall endeavor to discover and manufacture drugs of quality to alleviate sufferings of humanity.
- ❖ I shall hold in confidence the knowledge gained about the patients in connection with professional practice and never divulge unless compelled to do so by the law.
- ❖ I shall associate with organizations having their objectives for betterment of the profession of Pharmacy and make contribution to carry out the work of those organizations.
- ❖ While I continue to keep this Oath inviolate, may it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!
- ❖ Should I trespass and violate this oath, may the reverse be my lot!

Report

Our college in association with NSS, RRC&YRC units conducted an awareness programme on "Anti-Ragging and Anti-Drugs" for the first year students. Mr. Shanmugam. Inspector of Police, Komarapalayam Police Station was invited as chief guest for this programme. The Event started with the Welcome Address delivered by our Respected Principal Dr. Senthikumar. In his welcome address. he insisted that the students utilize the awareness programme on Anti-Ragging and the ill-effects of drugs. After the welcome address, the session handovers to chief guest for creating awareness on the ill-effects of drugs and alcohol consumption. The goal of the campaign was to mobilize support and inspire the students to act against drug use.

He said. the Government of India is taking every visible effort to prevent teen drug use via the National Youth Anti-Drug Media Campaign', especially for those making the difficult transition from schools to colleges via their National-level Anti-Drug Policies.

The 'Anti-Ragging Awareness Programme is aimed at making students aware of the laws of the country with respect to ragging and how it affects the lives of people victimized by it The campaign comes as an initiative against violations of Human Rights and Inequality, especially in the areas of health, education, employment, safety and interaction The programme concluded with vote of thank by Dr.V.Vijayamirharaj. Vice president and Event Co-ordinator Dr.V.Suresh of JKKMMRF's - Annai JKK Sampoorani Ammal college of Pharmacy, komarapalayam.
