Respected Sir,

Subject: **Letter for requesting Permission to conduct seminar regarding: -**

We are writing this letter to request permission to conduct a seminar in the Seminar Hall on 25/02/2023. We wish to conduct the seminar on **INTELLECTUAL PROPERTY RIGHTS, PATENTS AND DESIGN FILLING**. We believe that this will be a very informative session that many students will wish to attend.

We request you to kindly permit to conduct training program as this would be a great opportunity for Students to learn all about **INTELLECTUAL PROPERTY RIGHTS, PATENTS AND DESIGN FILLING** that would help to shape the students.

Looking forward for your approval.

Thank you

Dr. N.SENTHILKUMAR,

ABOUT THE TOPIC

INTELLECTUAL PROPERTY RIGHTS, PATENTS AND DESIGN FILLING

Patent Rules for Intellectual Property Rights (IPRs) Cell

Centre for Industry Institution Partnership Programme (CIIPP) has been striving to act as a podium for development and transfer of Technical and Managerial competence in the area of research and academics to meet the changing needs of the corporate sector and society at large. initiative in this direction has created Intellectual Property Rights Cell (IPR Cell) in collaboration with National and State patent agencies. IPR Cell will provide information, orientation and facilities to faculties, scientists and research students and of BBAU for protecting the products of their intellectual capabilities. The Cell would also be able to guide and advise researchers on how to obtain and sustain patents, facilitate routing of patent searches to National and State patent agencies and university and getting the necessary clearances from the competent authorities in the university while filing provisional/complete patent specifications. This Cell would also workout various modalities on behalf of the University for Technology transfer/ commercialization of patented technologies.

Objective and Activities of the Patent Cell

1. To provide IPRs protection information, orientation and facilities to university researchers & scientists.
2. To guide and advise researchers on how to obtain and sustain patents and help them to approach National and State patent agencies.
3. To work as a link between National and State patent agencies and university.
4. To facilitate routing of patent searchers to National and State patent agencies.
5. To get necessary clearances from competent authorities while filing patents and other IPRs like copyright registration and design registration, etc. through National and State patent agencies.
6. To workout modalities on behalf of the universities for commercialization of patented technologies.
7. To organize various IPR awareness programmes in collaboration with National and State patent agencies, in its campus.
8. CIIPP/University will provide the financial support, if needed by the faculty, for preparation and submission of the patent application after a preliminary scrutiny.

Patent Registration

Patent registration in India can be obtained for any invention relating to a product or process that is new, involving inventive step and capable of industrial application. The following items cannot be patented, as they are not considered as inventions under the Patent Act, 1970:

Application for patent registration must be made to the Indian Patent Office in the prescribed format. A patent application can be filed either by true and first inventor or his assignee, either alone or jointly with any other person. It is important to remember that the application for patent should be filed before the publication of the invention and till then it should not be disclosed or published.
