SUB: MENTORING THE STUDENTS - REG.

In regard to the Mentor-Mentee System the HODs are hereby directed to take the following measures-

- For every member there will be around 10-20 students as mentor.
- The mentors would be allotted to the students.
- The mentor needs to keep a record of each of their mentees. A file/record book (Mentee book/data sheet) has to be maintained.
- Mentor should meet the mentees regularly and update mentees' data sheet.
- Mentor should keep track the mentees' academic performance, attendance and participation in competition, co-circular and extra circular activities.
- Mentor should identify the advance learners based on the academic performance and advise them to organize and participate in various clubs, committees and skill development programs.
- Mentor should identify the slow learners and advise them to attend remedial and make-up classes.
- Mentor should identify the mentees whose attendance is below than the minimum requirement. He should discuss with the student and try to find out the problem. If required the mentor will involve the parents and Head of the department for reforming the student.
- Mentor should give psychosocial support to the mentees.
- Mentor also should identify the strengths and weakness of the students and motivate them to achieve the goals.

All the HODs are requested to allot the Mentors for each and every student (Mentee) of their respective branch, and forward the list of Mentor-Mentee to the underside ed at the earliest.
