A TUBERCULOSIS AWARENESS PROGRAMME was arranged by the NSS in JKKMMRF's Annai JKK Sampoorani Ammal college of Pharmacy, Komarapalayam. People gain knowledge about how TB spreads (primarily through the air when an infected person coughs or sneezes), and the importance of wearing masks, covering coughs, and ventilating living spaces to prevent transmission. TB awareness programs highlight the importance of completing the full course of TB medication, even when symptoms improve, to prevent drug resistance and recurrence of the disease.
