Subject: Request for Permission to Conduct HPLC Project-Reg

Dear Sir/Madam,

I am writing to grand request permission to perform project by utilizing the High-Performance Liquid Chromatography (HPLC) facilities available at JKKM –Annai JKKM Sampooraniammal College of Pharmacy as part of my academic requirements.

The objective of our project is to analyze the composition of pharmaceutical formulations" or "study the purity of organic compounds". Access to the HPLC facility would significantly enhance the quality of my research and provide invaluable hands-on experience with advanced analytical techniques.

I assure you that I will abide by all the rules and regulations of your institution while using the facilities. I will also ensure that the work is completed responsibly and within the stipulated time.

I kindly request your approval for this project and any guidance regarding the completion of the work. I am happy to provide additional details or meet in person to discuss this further.

Thank you for considering my request. I look forward to your positive response. The below mentioned students from our institution for project training.
