Objective:

The objective of this program about The Dynamics of Academic Writing workshop aims to teach participants the principles of academic writing, improve their writing skills, and guide them in effective research-writing practices. It covers various academic writing formats, strategies to boost productivity, and time management techniques. The workshop also emphasizes the importance of feedback and revision, promotes collaborative writing and peer review, and builds confidence in participants' academic writing by encouraging personal writing styles and fostering a supportive environment for sharing and discussing work.

Learning Outcome:

- Understanding of Academic Writing Enhance Communication Skills
- Enhancing Writing Skills
- Developing Effective Research-Writing Practices
- Exploring Writing for Different Academic Purposes
- Encouraging Writing Productivity and Overcoming Barriers

"Language Skill program-Additional Skills Acquisition Programme.

Academic Year: 2023 to 2024

Date: (18.09.2023)

Program Report

Resource person

Dr.T.Venkatachalam

Professor & HEAD,

Department of Pharmaceutical Chemistry

JKKMMRFs- Annai JKK Sampoorani COP-

Komarapalayam.

No. of. Students Enrolled: 60

No. of. Students Present:60

Objective:

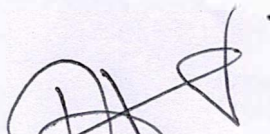

Develop fluency and accuracy in speaking, listening, reading, and writing in the target language. Provide skills that complement language learning, such as digital literacy, problem-solving, teamwork, critical thinking, or specific industry-related skills.

Prepare participants for the professional world by integrating skills like public speaking, negotiation, or digital communication into the curriculum

Learning Outcome:

- Fluency in Speaking and Writing
- Enhanced Digital Literacy
- Soft Skills Development
