5. Treat effluents from laboratories

The Institution follows Standard Operating Procedures for disposal of hazardous chemicals collected from the laboratories.

6. Sewage Treatment Plant process

The Institute has a Sewage treatment plant to recycle the waste water. This plant treats the waste water and makes it fit for reuse in watering plants and trees. Also, to protect the surrounding environment from raw sewage discharge.

7. Store water

The institute contains storage facilities to prevent water shortages and to hold extra runoff during times of heavy rain.

8. Awareness about Water Conservation

The institution runs awareness Programmes for students to enhance water conservation in order to deal with water shortages and ensure sustainability. The programme has been organized at all levels of society to raise awareness of the need of saving water.

DIVYAGAN POLICY

Our institution has constituted the policy to ensure disabled friendly and barrier free environment for the disabled people to live with equal opportunities in college premises.

- College provides disabled rest room that can be approached with wheel chairs.
- Signage boards are placed in all prominent places to ensure barrier free movement and to access to the needed facilities.
- College provides disabled friendly infrastructure like ramp and lift facilities.
- College provides the provision for enquiry and information at the reception.
- The institution committed to extend scribe facility for deserving candidates during examination by obtaining prior permission from the affiliated University.
