## DVV Clarification

**Percentage of Students Undertaking Project Work / Field Work / Internships (Data for the Latest Completed Academic Year)**

**Number of Students Undertaking Project Work / Field Work / Internships**

HEI Input 522

DVV Suggested Input: 521

Change Input 522

### **Justification:**

HEI wrongly entered register number 261915603 two times. Now we replaced the wrong register number (261915603) instead of (261815604) S.SELVAPRABA and we highlighted the register number in HEI input 522 and also attached project details, so HEI input 522 was correct. So we request you to consider the HEI change in input.

1.	Number of students undertaking project work/field works /Internships count as DVV Suggested Input: 521.	Number of students undertaking project work/field works /Internship is count as DVV Suggested Input: 521, but HEI entered the register number 261915603 twice in error. So, we have changed the incorrect register number (261915603) to (261815604). The register number in HEI input 522 was underlined by S.SELVAPRABA and we also provided project details, therefore HEI input 522 was accurate.
