Objective

The main objective of this program is to improve a healthy competition among students. It makes them to work harder and improve their knowledge and skills. It is also like a skill development program which provides additional knowledge to the students other than their academic knowledge and to improvise their ability to face competitive exams.

Learning outcomes:

- It makes a clarity for students about the competitive exams for the state and central government jobs also for their preparations.
- It also makes the students to understand the responsibilities as a public servant or a civil service personal.

Objective

The main objective of this program is to improve the skills of reading writing and speaking in English fluently. It focuses on ordinary English rather than high-level English language and assesses your ability to understand the language as it is spoken in everyday situations.

Learning outcomes:

- It provides a high level of accuracy in the language and ensure the student to study abroad or planning to work and stay in a country where English is the primary language.
- Students gained the perfect opportunity to demonstrate their language proficiency and the concept formation.
