RESOURCE PERSON:

Mr. P. RAJAGOPAL B.E. (Mech),,

FOUNDER OF

IDEAL IAS ACADEMY.

No. of students enrolled: 199

No. of students attended: 186

Objective

It improves the development of communication skills and professional skills based upon the different fields of work. It makes the students to have courage, flexibility, cultural awareness and an understanding of how other people work and think. This will really put you ahead of the pack when it comes to internships and job applications.

Learning outcomes:

- It influences students to find out about different knowledge and skill gaps, which they did not know that they had.
- It helps to expand the student's horizons and opens up a world of new educational and job opportunities.

JKKMMRF's Annai JKK Sampoorani Ammal

College of Teacher Training Institute &

Allied Health Sciences.

No. of students enrolled: 282

No. of students attended: 270

Objective

- The focus of this program is on improving the language skills of participants rather than teaching them advanced grammar or vocabulary.
- It provides knowledge to access world class education systems.

Learning outcomes:

The programme offers a high level of language accuracy as well as opportunities to study abroad or work and live in a country where English is the primary language. Students who complete this programme will have demonstrated their proficiency in both spoken and written English, as well as gained knowledge of concept formation.
