NAAC DVV CLARIFICATION

6.3.3 - Percentage of teaching and non-teaching staff participating in faculty development programmes (FDP), professional development/ administrative training programs during the last five years.

HEI Input:

Academic year	2022-2021	2020-2021	2019-2020	2018-2019	2017-2018
Total no. of teaching and non-teaching staff participating in faculty development programmes (FDP), professional development/ administrative training programs during the last five years.	56	53	54	46	45

DVV Suggested:

Academic year	2022-2021	2020-2021	2019-2020	2018-2019	2017-2018
Total no. of teaching and non-teaching staff participating in faculty development programmes (FDP), professional development/ administrative training programs during the last five years.	10	17	10	23	14

Change in Input:

Justification: HEI gives data about RECENT TRENDS IN PHYTO PHARMACEUTICALS (2020-2021), INNOVATIONS IN DRUG DELIVERY SYSTEM, AND ART AND SCIENCE IN SCIENTIFIC WRITING (2021-2022). (2017-2018) were FDP programmes that teaching faculty participated, but during data entry in the portal, those faculty members and the number of non-teaching faculty members who attended the FTP is not added to the number of FDP that the teaching faculty participated in for all of the assessment years. Teaching and non-teaching faculty members who attended FDP both were included in the calculation when the data was given in the data template, however for some reason the count was missed while putting it in the DVV portal. As a result, DVV may accept the same.
